YWCA Cortland Gardens

A la Nancy and John Sternfeld

What we see in the front garden on April 25!

Peonies, daylilies, tulips, cutleaf coneflowers coming up in the side garden.

Where are the *weeds*??

Not HERE!

Not THERE!

Going,
going,
gone!

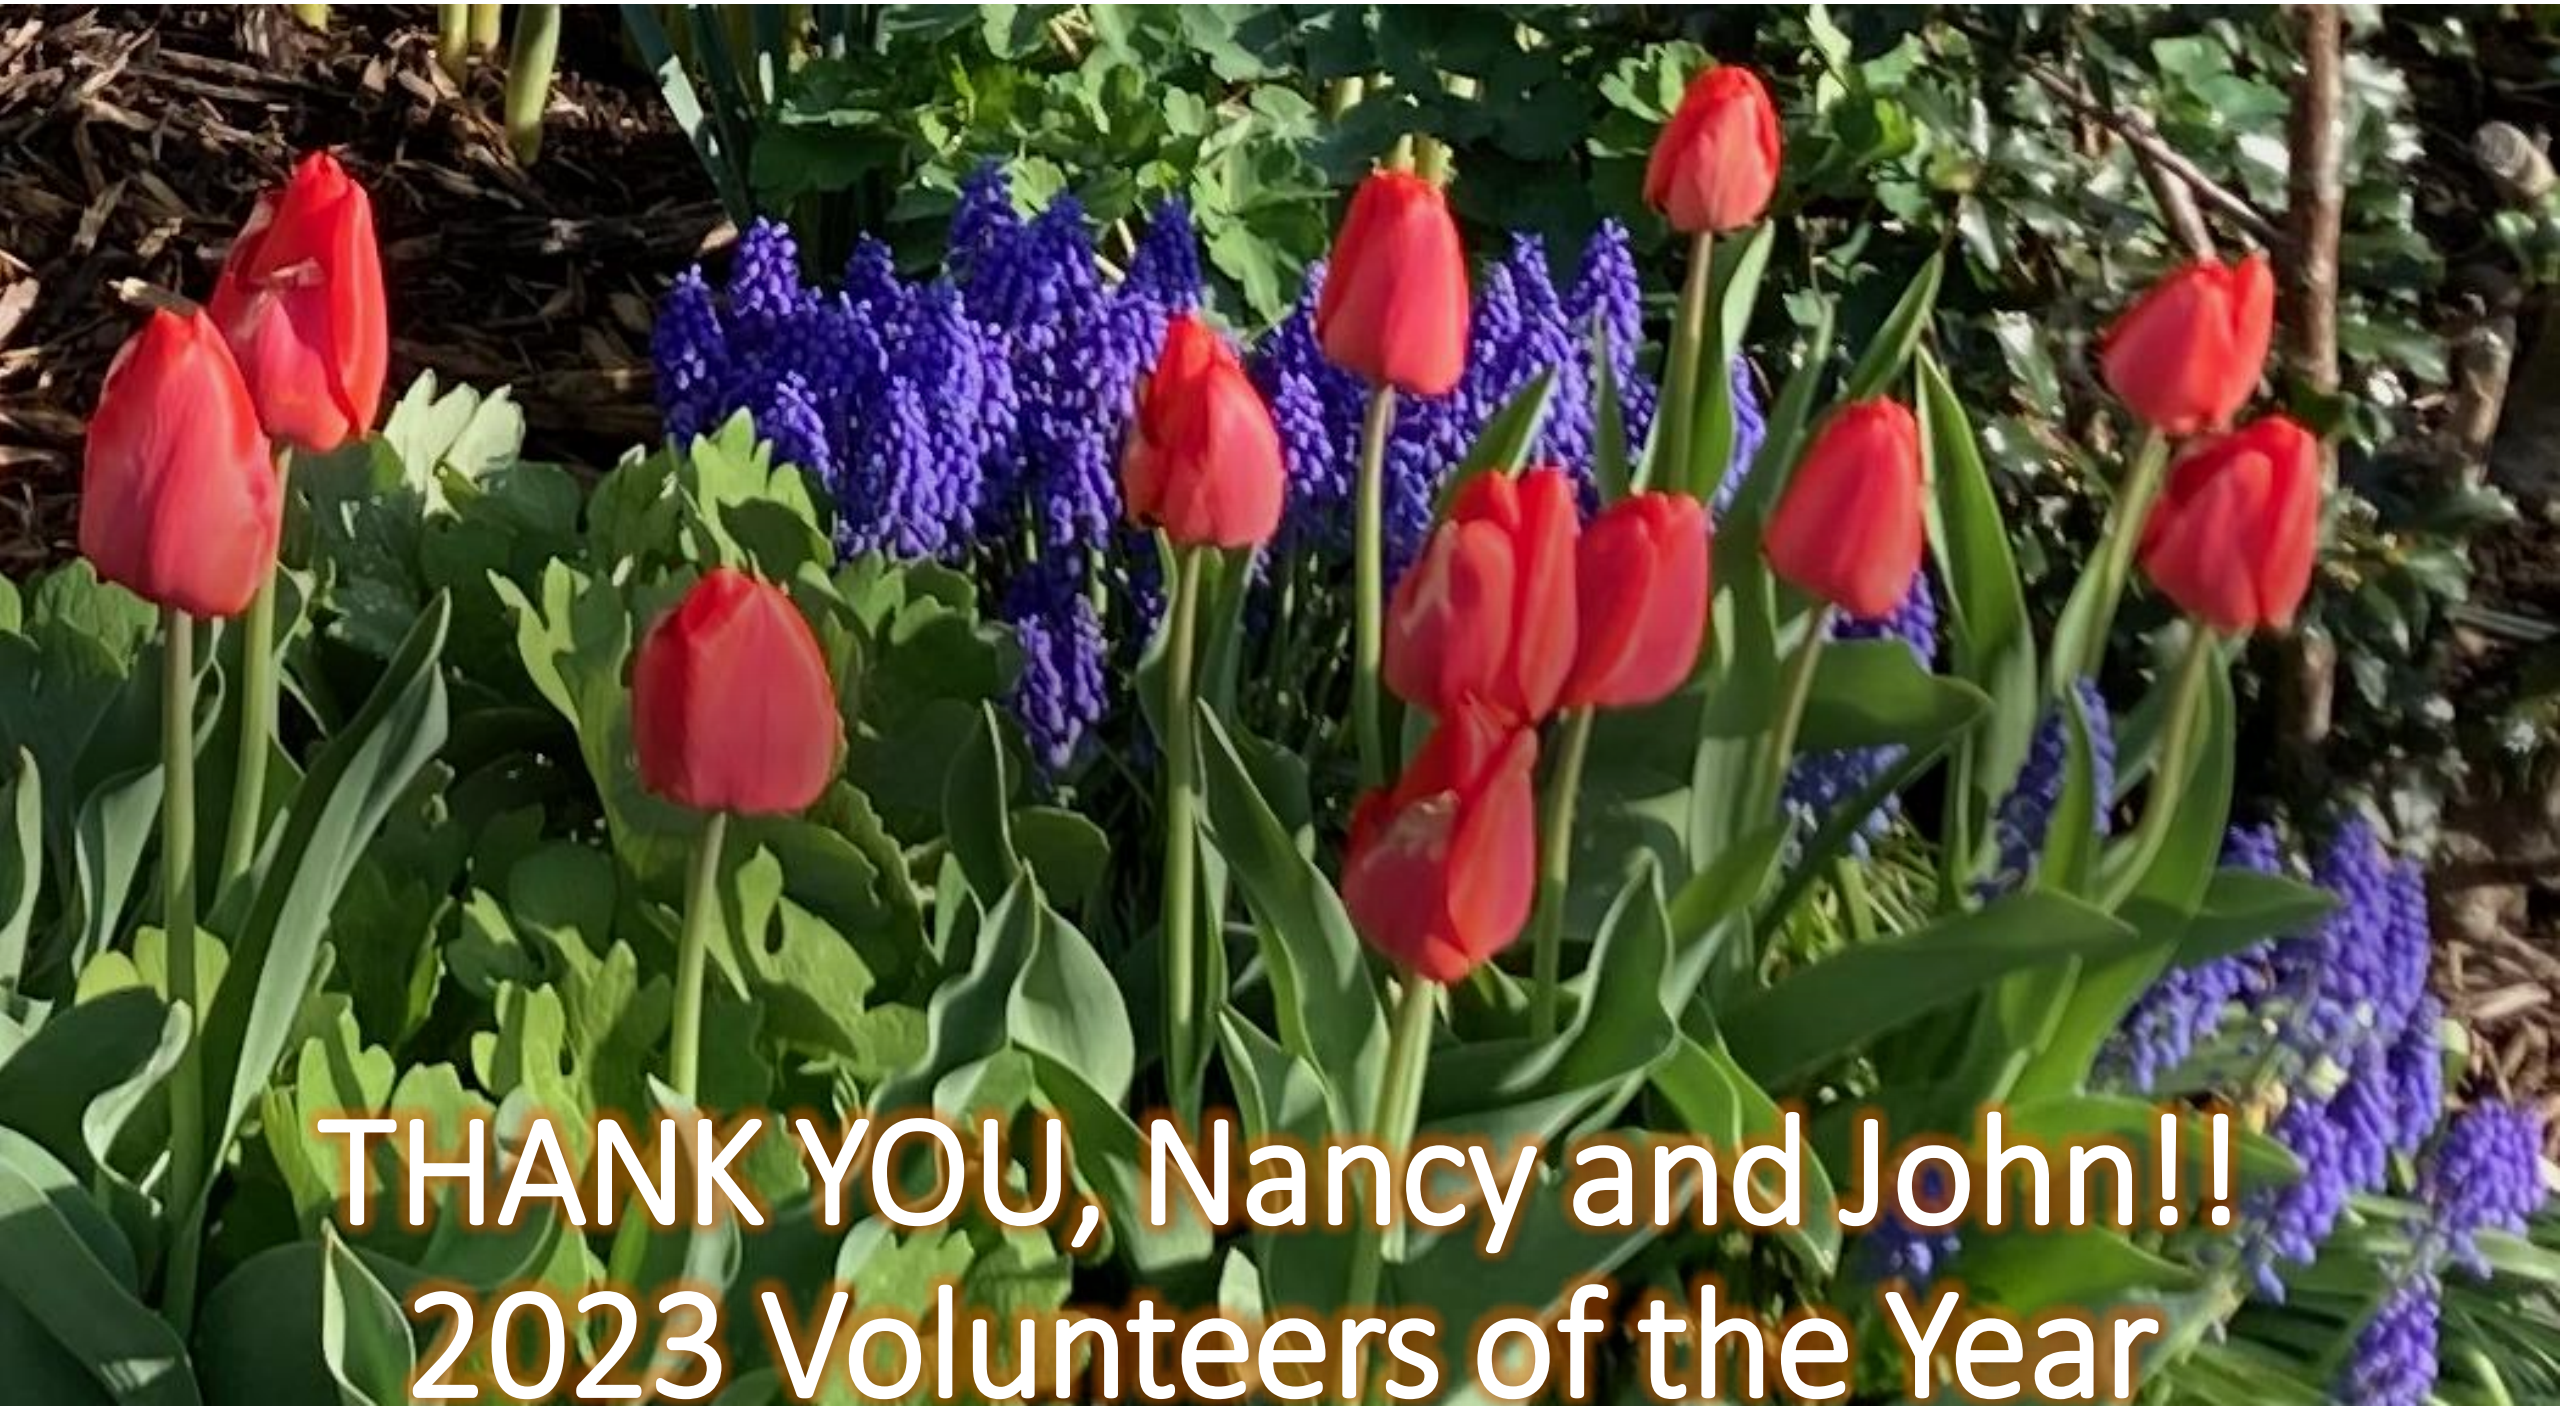
Nancy and John Doing Battle!

It almost looks like FUN!

So much to do throughout the season:

- Weeding
- Transplanting
- Mulching

Nancy and John are on top of it all!



THANK YOU, Nancy and John!!
